Subject: Tentative Approval to Commence Large Mining Operations, Geneva Rock Products, Inc., Corinne Quarry, M/003/0082, Box Elder County, Utah

Dear Mr. Edwards:

The Division has completed a review of your latest response regarding your Notice of Intention to Commence Large Mining Operations for the Corinne Quarry. The Division is now prepared to tentatively approve this Notice. The notice of tentative approval will be published in the appropriate Salt Lake City and Box Elder county newspapers. This will begin a 30-day public comment period. The Division will also notify the Resource Development Coordinating Committee (RDCC).

If no substantive comments are received during the public comment period, the Division will then issue its final approval for this project. Changes to the Notice may be needed if substantive comments are received.

Prior to issuing final approval, we require that you provide the Division with a Reclamation Contract (Form MR-RC) and reclamation surety in the amount of \$1,186,000.00. Please contact Penny Berry at (801) 538-5291 or by e-mail at bondcoordinator@utah.gov to obtain the appropriate bond and reclamation contract forms.

Thank you for your cooperation and patience in completing this permitting process. If you have any questions regarding this letter, please contact me at (801) 538-5261 or Lynn Kunzler at (801) 538-5310.

Sincerely,

Paul B. Baker
Minerals Program Manager
